WHERE: WITHIN THE CITY OF FRESNO; WB & EB STATE ROUTE 180 CONNECTOR RAMPS TO SOUTHBOUND AND NORTHBOUND STATE ROUTE 99.

The California Department of Transportation (Caltrans) reminds motorists that bridge sealing and joint seal replacement operations on various bridges, ramps and overcrossings within the City of Fresno continue to take place.

In order to minimize impacts to motorists during normal commute times the following connector ramps will be closed next week in order to implement construction operations at the following locations: **(Schedule subject to change due to weather or unforeseen contractor operations)**

JUNE 19-24th:

- **Westbound State Route 180 to southbound SR 99 loop connector closed.**
Suggested Detour: Continue on westbound State Route 180; exit at Marks Avenue, turn left; access eastbound SR 180 on-ramp; exit southbound State Route 99 connector ramp; continue southbound on State Route 99.

JUNE 21-23rd:

- **Eastbound State Route (SR) 180 to northbound SR 99 loop connector closed.**
Suggested Detour: Continue on eastbound State Route 180; exit southbound State Route 99 connector on-ramp; continue south and exit at Stanislaus St; proceed south to Tuolumne Street; turn left; access northbound State Route 99 on-ramp.

Caltrans would like to thank the residents, businesses and commuters for their patience during this improvement project. The public is reminded to drive with extra care while traveling through this construction project and to adhere to all construction signage. Please merge when directed to do so, be alert to construction personnel and please ***"Slow for the Cone Zone."***
